

## Visitation Acknowledgement

### Infection Control Guidelines

- We recommend a maximum of two visitors per resident.
- Visitation is encouraged between the hours of 8am and 8pm.
- Residents and visitors are required to wear a surgical face mask for the duration of the visit when the visit is being conducted in a shared room.
- Residents and visitors are required to wear a surgical face mask when the facility is in active outbreak status and when the county positivity rate is substantial or higher.
- The only exception to the mask mandate is fully vaccinated non-immunocompromised residents in a private room whose visitors are also vaccinated.
- Hand hygiene must be performed prior to and immediately following each visit.
- Visitors are to maintain at least a six-foot distance from all residents and staff.
- Physical touch is permitted during visitation if both the visitor and resident are fully vaccinated and the resident agrees.
- Visits are only permitted to take place in the residents' room or the designated visitation area located on unit 2A.
- Visitors who are positive for Covid-19, exhibiting symptoms of Covid-19 or who meet criteria for quarantine due to a high risk exposure to Covid-19 are prohibited from visiting.
- Weather permitting, outdoor visitation is preferred.
- For residents in semi-private rooms, there may be circumstances where visitation must occur in the designated visitation area.

### Outbreak Status
